Second grade—Valentine Toland, Eleanor Hannah, Mona Guthrie, Inka Pouttu Evelyn Elch, May Rasmussen, Marjorie Key.

First grade—Inga Rowe.
Teachers—Jennie A. Curieux, R. V. Ross, Edna T. Sullivan.

SECOND DIVIDEND SAS BEEN DECLARED BY ELY PROPERTY

The regular quarterly dividend of the Nevada Consolidated was posted last Saturday, the fortunate stockholders receiving \$749,380. Since the Ely producer entered upon its career of production two years ago, it has distributed \$5,081,371 in profits, with the payment of the second dividend for 1911. The dividend is to be paid on June 30.

As Utah Copper holds more than 50 per cent of Nevada Consolidated stock, more than \$350,000 will go into the treasury of that company, or the rate of little better than \$100,000 a month will go into the strong box from its interest in the local copper property.

The Nevada Consolidated is the lowest among the red metal producers in this country, and since it has come a powerful factor in the copper mining world, it is credited with having a large part in the new billion-dollar merger.

Of recent date it is claimed that there is an increased demand for copper metal. As evidence of this it is shown that for the past month the exports amounted to 22,821 tons which is an increase of 3155 tons over the record for the previous month.—Ely Expositor.

MINERS' UNION TO HOLD ELECTION NEXT TUESDAY

VERY LITTLE CONTEST WITH
EXCEPTION OF SECRETARY-
TREASURER'S OFFICE.

On next Tuesday, June 6, the local union of the Western Federation of Miners, No. 121, will hold an election to select officers for the ensuing term. The following candidates are in the field:

For president—Branch H. Smith and Alex Main.

For vice-president—Gus Hansen.
For secretary-treasurer—Earl Quick, W. B. Evans, Thomas McMahon and T. S. Marshall.

For recording secretary—Hirman Bilyeu.

For conductor—Mike Shea.

For warden—Stephen S. Clark.

For financial committee (three)—P. A. O'Neill, J. A. Peterson, Wm. Turner, P. J. Flannery and James McGuire.

For delegates to convention (two)—W. J. Scanlon and R. H. Dalzell.

CANADIAN HOTELS BURN;
FIVE ARE INCINERATED

WINNIPEG, June 1.—A dispatch from Silvertown, B. C., tells of fire raging there. The Windsor and Victoria hotels have been destroyed by the conflagration. Five persons were burned to death in the Windsor hotel.

AN INTERESTING BILL AT THE IDORA THIS EVENING

NELUSCO AND LEVINE WILL
CHANGE THEIR ACT AT TO-
NIGHT'S SHOWS.

The Idora theater had the usual large crowds at each performance last night and an excellent program was on the board. For tonight a fine line of pictures will be shown and Nelusco and Levine, the clever magicians, will be seen in an entire change, doing new tricks, hand shadowgraph and mind reading. This team has mystified the audiences at the Idora and their work has received the applause that it deserves.

The Dunbars were on the boards last night and made as big a hit as they did on the opening night, their act being an entire change from the first night.

Friday night will be amateur night and great interest is being taken in this new feature of the popular house. Prizes are offered for talent and quite a program has been arranged. The amateurs are put on in addition to the regular show and a big run for your money is assured. One price to all—19 cents to any part of the house.

The orchestra has been particularly well received this week and is rendering a great variety of music.

QUALITY IN MILK.

Is milk that is clean, that will test 4 per cent and test it every day in the year; milked from healthy cows; handled in a sanitary dairy and stable. We have the quality. 6-1-11
TONOPAH DAIRY.

FATAL AUTO SKID.

BLOOMINGTON, Ind., June 1.—While returning from a Memorial day exercise last night, an automobile, driven by John M. Harrell, skidded over a 40-foot embankment six miles south of here, and his wife was fatally hurt. Miss Lillian Deckard and her brother Robert were slightly hurt. Harrell escaped injury.

"BILLY" DOUGLASS STILL CONFINED TO HIS BED

Improvement in the condition of "Billy" Douglass is very slow. His arm is mending, but the bruised limb is confining him to his bed. It will be some time before he can leave his apartments.

For neat commercial printing try the Bonanza job office.

BOYD FOUND GUILTY AND FINED \$150

COLORED DISTURBER ORDERED
TO LEAVE TOWN IN CON-
JUNCTION WITH FINE.

Pearl Boyd appeared in the justice court this morning and pleaded guilty to the charge of simple assault, which was lodged against him by Gussie Albert. Boyd having created a disturbance in the tenement district, and during the melee fired a shot which passed through the door and into the house occupied by the Albert woman.

Justice Atkinson fined Boyd \$150 and ordered him to leave town or accept an alternative of six months in Malley's hotel. Boyd paid the fine and is on his way.

NOW SINKING MANY WELLS IN MASON VALLEY

SEVERAL FLOWING WELLS ARE
OPENED UP AND ARE USED
FOR IRRIGATING.

George W. Clark has been busy for some time past with his Key-stone drill sinking wells on ranches in the south end of the valley. T. J. Bradshaw has a well on his ranch 150 feet deep, from which he pumps water for domestic use and stock with a small gasoline engine. The well is six inches in diameter and the water cannot be exhausted by the engine.

L. A. Strossider has a well down on his ranch to a depth of 101 feet and there is 75 feet of water in it. He is also going to put in a small engine and pump to obtain water for domestic use and stock.

Ezra Cross has a well about 110 feet deep on his ranch and a good supply of water, and John McGowan has a well on his ranch about the same depth. Mr. Clark is now drilling a well at the Barrett school house. All these wells are six-inch, but larger ones can be bored by the machine if required. It costs from \$2.50 to \$4 per foot to sink these wells, according to the kind of casing used.—Yerington Times.

BAND CONCERTS WEEKLY ASSURED

The petition to raise funds to pay the band boys for a concert one evening during the week for music on the streets has been filled and now the question which is agitating is what evening to hold the concert—some want it on Saturday and some Sunday evening. The forces are about evenly divided. The band boys are neutral and say that either night will suit them.

CLOUDBURST IN GERMANY.

BERLIN, June 1.—Cloudbursts, accompanied by heavy hail, caused great damage in Southern Germany yesterday. Six houses in a village in the Grand Duchy were swept away by the floods and twelve persons were drowned. Four persons were drowned near Heidelberg, where a mill was washed away. Eight inches of rain fell at various places in the south, destroying the fruit trees and crops and killing birds by the wholesale.

YOUNG LADY DROWNED IN SACRAMENTO RIVER

SACRAMENTO, Cal., June 1.—Miss Vera McDonald, 19 years old and Charles Scadden, 21 years old, were drowned in the Sacramento river a few miles north of the city yesterday when a skiff capsized. The tragedy brought to a sudden close a picnic of the Sunday school of the local United Brethren church, of which both were prominent members.

The Daily Bonanza reaches the people.

LOCAL MAN IS MARKED BY BLACK HAND

OFFICERS ARE PUTTING SEV-
ERAL SUSPECTS THROUGH
"SWEAT" PROCESS.

A baby's coffin decorated with four candles and upon which was placed a note with the skull and cross-bones and threatening a terrible death, awaited the return of Harry Brant, a local waiter, when he returned to his room in a prominent lodging house, night before last.

Mr. Brant has a reputation for being a brave man, but this was too much for the nerve of even a man made of iron, and when he saw the ghastly sight he bolted and nothing can induce him to return.

News of the outrage was quickly circulated through the house and the guests, in order to protect the orderly reputation of the place, kept quiet and moved the undesirable object to the house adjoining.

The next morning James Degan, innocent of any participation, stumbled across the coffin in the hall, and with the instinct of an old-time officer, at once sent a foul murder and telephoned for the police. The patrol wagon was quickly backed up to the rear entrance of the house and the casket taken to the police station.

The police have been working on the case for the last two days and are of the belief that Mr. Brant has been marked by the Black Hand. Important arrests are expected soon, as several suspects have been undergoing the "sweat" process, and it is thought that some will break down and "fess" up.

ELKS WILL HOLD A SMOKER NEXT SATURDAY NIGHT

Hello, Bill! There's going to be something doing at Elks' hall Saturday night, June 3. Invitations are out for a smoker and jinks on the above-mentioned date, and as the Elks are noted far and wide as entertainers, a big time is promised for the antlers and their friends.

ST. MARK'S CHURCH.

All members and adherents of the Episcopal church are requested to be present at a free lecture and musical service next Monday night at the church. Lecture by the Rev. Lester K. Hazlett, archdeacon of Nevada. After the lecture he will organize a new vestry board and appoint wardens for the coming year. Public cordially invited. Music by the choir. 6-1-11

DIAZ TO SAIL THIS MORNING

VERA CRUZ, Mex., June 1.—General Diaz, accompanied by Senora Diaz, Porfirio Diaz, Jr., and his wife, and grand children will go abroad the steamer Ypiranga tomorrow afternoon.

The steamer will sail for Spain the same night or the following day. The consular corps, representing sixteen countries and headed by William W. Canada, dean of the corps, paid their last respects to General Diaz yesterday.

Those who have visited the former president report that he is much improved physically. The swelling in his face has disappeared and all danger of blood poisoning has passed.

FIGHT ENDS IN DRAW AFTER TWELVE ROUNDS

CANTON, O., June 1.—Jimmy Walsh of Boston, former bantam-weight champion, and Johnny Kilbane of Cleveland fought twelve round to a draw here last night. The bout was full of clinches and neither man did much hard work. Danny Dunn of New York and Clyde LeMaster of Akron fought a good eight-round draw.

FIRE VOLUNTEERS HELD A MEETING LAST EVENING

COMMITTEE NAMED TO HELP
WORK FOR CELEBRATION
ON FOURTH.

The boys of the volunteer fire department held an enthusiastic meeting at the gymnasium last night and transacted some important business. A committee of three, consisting of Robert Prouty, Percy Oaks and Professor Braun, was named to meet with the other organizations at Elks' hall tomorrow night to discuss plans for the celebration of Fourth of July.

It was also arranged to repair the fence at the ball ground and get the park in shape for an active season in baseball. Other business was discussed. About twenty-five members were present.

PAT DONOVAN BOUND OVER TO GRAND JURY

Pat Donovan arrived in Tonopah this morning in the custody of "Bill" Huffman, deputy sheriff and constable at Rhyolite. Donovan has been held by the justice court of the southern town on a charge of burglary, and will have to await the action of the grand jury. The charge grows out of the recent burglarizing of the store of Cook & Fleming.

EL TROVATORE BY BEQUEST AT THE BUTLER

JACOBY MUSICAL COMPANY TO
RENDER POPULAR OPERA
THIS EVENING.

The Jacoby company is making more than good at the Butler theater this week, playing to capacity houses right along, and responding to many encores at each show. For tonight they will be heard in an entire new repertoire of music. By special request Mrs. Jacoby will play "El Trovatore" for her solo selection, accompanied on the piano by Mr. Jacoby. The pictures for tonight are as follows: "The Manicure Lady," (Biograph comedy); "The School Mar'm of Coyote County," (Melies western picture); "The Test of Love," (an Edison drama). This program is one of the very best that this popular place of amusement has shown for quite a while and must be seen to be appreciated.

VOLCANO DEALS DEATH TO MANY

VICTORIA, B. C., June 1.—News was brought from Japan by the Canadian Maru yesterday that when the annual festival of the shrine on the summit of Asama volcano was held May 8 and several hundred pilgrims who had ascended to the shrine were returning, the volcano erupted and there was serious loss of life.

A tremendous report, felt as far distant as Tokio, was followed by a column of lava and smoke rising several thousand feet and the pilgrims were showered with the molten lava.

Some of the corpses were found at the summit after the eruption, shriveled up by the red hot lava. The number of dead could not be learned up to the time the steamer sailed, but searching parties found many bodies with the clothing, hair and portions of limbs burned away.

Several survivors who were found near the foot of the volcano had thrilling tales to tell of their sufferings. Police from the Komoro village did some heroic work, rescuing a number of people.

Wanted—Performers for amateur night at the Idora; substantial prizes offered. See Manager F. B. Spencer.

LARGE CROWD IS EXPECTED AT THE GAME ON SUNDAY

PROSPECTS FOR A GAME WITH
GOLDFIELD SOME TIME
THIS MONTH.

Although Sunday is several days off, the principal topic of conversation upon the streets is which team will win the ball game Sunday. Captain McDonald of the Single Men's team says his men are capable of keeping the married men from making first base and that they will not make as much as one tally.

Captain Peck, of the Married Men's team says "nothing doing," and we conclude that the only way we will know which side can play the best ball is to be on deck Sunday afternoon and witness the game.

Prout, the pitcher for the single men, needs no introduction to the people of Tonopah and he showed in last Sunday's game that he is in form to pitch better ball this season than ever before. Spencer, the pitcher for the married men, is new to us. He has a splendid record, however, and will no doubt let loose for the glory of the married men in Sunday's game.

Manager Dugan is busy arranging a game with Goldfield to be played in Tonopah in the near future, and from the number of ball players in Tonopah this year it looks like Tonopah will be in line for the championship of the state.

COAST LEAGUE.

Clubs—	Won.	Lost.	Pct.

At San Francisco—San Francisco 7, Los Angeles 1.			
At Portland—Portland 4, Oakland 4.			

RUSHING WORK ON NEW RAILROAD

FORCE IS INCREASED ON THE
NORTHERN EXTENSION OF
NARROW GAUGE.

Developments this week in connection with the extension of the N.C.O. railroad to Lakeview indicate that Manager Dunaway is going to make good in hurrying the work as rapidly as possible. Three new engineers reached the Davis Creek headquarters last Friday and were placed in the field immediately. M. D. Williams is now at work with his crew in cross sectioning, while four additional draughtsmen went to work Tuesday.

Tom Sargess now has a crew of 100 men at work on the side of Sugar hill, Frank Fisher having held up the right-of-way through his place adjoining the hill on the south. This trouble will probably be amicably adjusted this week, if it has not already been, and Mr. Sargess will then increase his force and rush the work as rapidly as possible.

It is understood that the right-of-way across the entire Davis Creek valley has been secured. The route chosen is known as the upper line, it passing just east of the Davis Creek Orchard company's reservoir and running half a mile west of the present townsite of Davis Creek, at which point the station is to be located. The survey runs a quarter of a mile west of the Davis Creek hotel and nearly the same distance west from the John Briles residence. It passes through the west end of Harry Bailey's ranch and also crosses the Guerrin ranch and corporation lands, as well as several others.

The contractors are beginning to receive their equipment and as soon as the road is completed to the Page place there will be lively times in that portion of Goose Lake valley. The bridges on the new extension are being put in and as soon as they are completed it will take but a few days to complete the track laying.—Lake County Examiner.
